

2022-2023 Non-School Day Registration

Hinton Kids for Success is happy to offer full day programming for all pre-scheduled non-days from 7:45am to 6:00pm. The dates are pre-determined by each school division prior to the end of the previous school year.

Full-Time and Part-Time Hinton Kids for Success families have first access to register for care for non-school days during the school year at the reduced rate of \$25/day. 5 Month Contract Families have all pre-determined non-school days included in their contract at no extra fee.

Families that are enrolling their child for the non-school days only are subject to the drop in rate of \$40/day for non-school days.

New for 2022-2023: Any additional school closures due to extenuating circumstances (pandemic etc) are not included in the 5-month contract option and are subject to an additional fee of \$25/day and availability.

Please indicate **all** days for which you will require care by **September 30, 2022**. After that date, all families will have access to non-school care on a first-come, first-serve basis at the appropriate drop in rate.

We have indicated in the chart below whether the non-school day is for both school divisions or if that day is specific to one of the school divisions.

Important for 2022 – HKFS will be CLOSED Monday, December 26, 2022.

Please note that, as per the HKFS Fees, Refund, & Credit Policy #001-1, credits will be available for cancelled days with fourteen days prior notice for applicable registration types.
