Town of Hinton Budget 2025 Summary

The 2025 budget considers current factors while addressing long-term strategic priorities that support Hinton's healthy, sustainable future. The \$34.5 million Operating Budget and the \$41.7 million Capital Planning Budget that was approved will require an anticipated \$14.6 million in municipal taxes in 2025. The Town's main funding sources are municipal property taxes, user fees, provincial and federal funding and grants, and cost sharing agreements with regional municipalities. Property taxes on an average residential property assessed at \$400,000 are estimated to increase by \$9 per month or \$108 per annum. The 2025 budget includes an increase to utility rates to help pay for water and wastewater system upgrades.

Every \$100 in property taxes pays for:

\$19	Protective Services
\$18	Parks, Recreation, Culture
\$18	Roads, Sidewalks
\$16	Administration
\$15	Facilities, Fleet
\$5	Social Health
\$5	Council
\$4	Planning, Development

Utility Rates Change January 1, 2025

Utility rates and billing frequency is changing. All residential, multi-residential, and commercial customers will receive a monthly utility bill that covers water, sewer, and garbage services. The capital enhancement surcharge (CAPS) will no longer be charged, however, customers currently paying every two months for water, sewer and garbage services will now be billed monthly for these services.

Public Transit Service Update

Starting February 1, 2025 Hinton Public Transit System will extend service hours and improve route efficiency. There will be a service disruption on January 8, 2024 from 8 a.m. to 1 p.m. for staff training on the changes to the new route. The current one hour bus loop will be

shortened to a 40-minute schedule and services will now operate Monday to Saturday from 6 a.m. to 12 p.m. and 3 p.m. to 9 p.m., with no service on Sundays or statutory holidays.

Recreation User Fees Update

New recreation fees took effect on January 1, 2025, as part of the Town's annual fee review process. These updated rates apply to recreation memberships, punch passes, daily admission, and facility and equipment rentals. Recreation fees are updated annually to help cover operating costs

while keeping services accessible to the community. Historically, these adjustments occurred in the fall, now starting in 2025, the increase will take effect on January 1 to align with the calendar year. Also included in this update is the introduction of LIRAP (Low Income Recreation Access Program). Starting January 2025, low-income individuals and families can benefit from the new LIRAP, offering 50% discounts on punch passes and monthly passes. If you're already part of the FCSS Transit Low-Income Program, you're automatically prequalified! Simply register through FCSS and then collect your pass at the Recreation Centre.

Winter Reminder

You can be like the Athacat by shoveling the sidewalk in front of your property within 48 hours of snow falling. The Town provides free salt and sand for residents to use on their walkways and driveways. Take a bucket and shovel to the west end of the curling rink at 837 Switzer Drive and pick up your free salt and sand mix. Let's help keep our neighbours safe this winter.
