We're listening and trying something new!

Starting with the Fall Recreation & Leisure Guide, Parks, Recreation and Culture staff are excited to provide user groups and regular patrons with an insert that provides an up-to-date monthly schedule on public programming and ice rental availability.

Many of our user group organizations have varied start and end times for their season. We are trying to maximize any unused slots in order that we may offer additional Public Ice programming and accommodate any new rental requests

Visit our Recreation page at www.hinton.ca/recreation where you can view and/or download the Ice Schedule insert onto your mobile device or home computer.
