

TOWN OF HINTON BYLAW NO. 1179

TO REGULATE TRAFFIC WITHIN THE CORPORATE LIMITS OF THE TOWN OF HINTON

WHEREAS, The Traffic Safety Act, R.S.A. 2000, c. T-6, section 13 provides that a Municipal Council may pass a Bylaw with respect to regulation of parking and the use of highways under its direction, control and management.

AND WHEREAS, In accordance with the Town of Hinton regulatory bylaw review policy it is deemed expedient to review and update the Town of Hinton Traffic Bylaw.

NOW THEREFORE, **THE MUNICIPAL COUNCIL OF THE TOWN OF HINTON, IN THE PROVINCE OF ALBERTA, DULY ASSEMBLED AND IN ACCORDANCE WITH THE PROVISIONS OF THE MUNICIPAL GOVERNMENT ACT, RSA 2000, Chapter M-26 AND AMMENDMENTS THERETO, ENACTS AS FOLLOWS:**

SECTION 1

1.01 That this Bylaw be cited as the **"TOWN OF HINTON TRAFFIC BYLAW."**

SECTION 2

DEFINITIONS

Words used in this Bylaw which have been defined in the Act or the Regulations have the same defined meaning when used in this Bylaw.

2.01 "Act" means The Traffic Safety Act, RSA 2000, c.T-6, as amended or replaced from time to time.

2.02 "Alberta Motor Transport Board" means the Board as defined in the Alberta Motor Transport Act RSA 2000, c M-21

2.03 "Alley" is defined in the Act.

2.04 "Boulevard" is defined in the Act.

2.05 "CAO" means a Municipal official in the responsible role of Chief Administrative Officer and includes anyone designated and authorized to act on their behalf.

2.06 "Commercial Vehicle" means,

- (a) a truck, trailer or semi-trailer except
 - (i) a truck, trailer or semi-trailer that is a public service vehicle, or
 - (ii) a truck, trailer or semi-trailer or any class of vehicle that by the regulations or by an order of the Alberta Motor Transport Board is exempted from

being classified as a commercial vehicle, and

(b) includes

(i) a motor vehicle from which sales are made of goods, wares, merchandise or commodity, and,

(ii) a motor vehicle by means of which delivery is made of goods, wares, merchandise or commodity to a purchaser or consignee thereof.

2.07 "Cross Walk" is defined in the Regulations.

2.08 "Curb" means the actual concrete or asphalt curb, or in the absence of one, the dividing line of a highway between the edge of the roadway and the sidewalk.

2.09 "Disabled" means a person or persons who have a physical disability requiring assistance from another person(s) and/or an aid, such as a wheelchair.

2.10 "E-Bike" means a powered bicycle consistent with the provincial regulations and, is consistent with federal definition of "power-assisted-bicycle" in MVSR CRC, c 1038 s2.

2.11 "Environmental Protection and Enhancement Act" means the Environmental Protection and Enhancement Act RSA 2000 cE-12 and regulations as amended or replaced from time to time.

2.12 "Forest and Prairie Protection Act" mean the Forest and Prairie Protection Act RSA 2000 cF-19 and regulations as amended or replaced from time to time.

2.13 "Heavy Vehicle" means a motor vehicle, alone or together with any trailer, semi-trailer or other vehicle being towed by the motor vehicle, with a registration gross vehicle weight of more than forty-five hundred (4,500) kilograms, or exceeding eleven (11) meters in total length. A public passenger vehicle, when engaged in the transport of passengers, shall be deemed to be excluded from the definition of a heavy vehicle for the purposes of section 5 of this Bylaw

2.14 "Highway" is defined in the Act.

2.15 "Intersection" means the area embraced within the prolongation or connection of

(a) the lateral curb lines or, if none,

(b) the exterior edges of the roadways, of two or more highways, which join one another at any angle whether or not one highway crosses the other.

2.16 "Loiter" which means to hang around idly or to congregate.

2.17 "Mobile Unit" means

(a) any house trailer or re-locatable trailer, or

(b) any structure whether ordinarily equipped with wheels or not, that is constructed or manufactured to be moved from one point to another by being towed or carried and to provide living accommodation for or other use by one or more persons.

2.18 "Motor Vehicle" is defined in the Act.

2.19 "Obstruction" shall mean to impede safe and uninterrupted passage of vehicles or a visual obstruction to motorists.

2.20 "Off Highway Vehicle" means any motorized vehicle designated for cross-country travel on land, water, snow, ice marsh or swamp land or other natural terrain without limiting the generality of the foregoing, includes, when designed for such travel,

- (i) 4-wheel drive or low-pressure tire vehicles,
- (ii) motor-cycles and related 2-wheel vehicles,
- (iii) amphibious machines,
- (iv) all-terrain vehicles,
- (v) miniature motor vehicles,
- (vi) snow-vehicles,
- (vii) minibikes, and

(viii) any other means of transportation that is propelled by any power other than muscular power or wind,

but does not include

- (ix) motor boats, or

(x) any other vehicle exempted from all of the provisions of the Act by the regulations;

2.21 "Park" is defined in the Act.

2.22 "Parking Stand" means that portion of any highway set apart as a place where a vehicle may be parked and where the context requires, includes a parcel, lot or place set apart for the public parking of vehicles.

2.23 "Peace Officer" is defined in the Act and includes a duly appointed Bylaw Enforcement Officer employed by the Town.

2.24 "Pedestrian" is defined in the Act.

2.25 "Playground Zone" means a zone on a highway identified by a traffic control

- device as an area where children
- (a) may be expected to be on a highway, or
 - (b) are permitted to cross the highway at a designated point along the highway, and
 - (c) have fixed hours to reflect the times pedestrians are using the playground zones and give motorists consistent and specific times that are easy to remember
- 2.26 "Possessory Liens Act" means the Possessory Liens Act, RSA 2000, c P-19
- 2.27 "Pulp Truck" means any vehicle that alone or together with any trailer, semi-trailer or other vehicle being towed by the motor vehicle is carrying pulpwood or is used for the purpose of carrying pulpwood and is oversize and/or overweight.
- 2.28 "Regulation" means the Use of the Highway and Rules of the Road Regulation, (A.R. 304/2002) made pursuant to the Act.
- 2.29 "Roadway" is defined in the Act.
- 2.30 "School Zone" means a zone on a highway identified by a traffic control device as an area where children
- (a) may be expected to be on a highway, or
 - (b) are permitted to cross the highway at a designated point along the highway.
- 2.31 "Sidewalk" is defined in the Act.
- 2.32 "Skateboard" means a device consisting of a board with wheels, propelled by human power upon which a person may ride.
- 2.33 "Town" means the Town of Hinton.
- 2.34 "Town Council" means the elected Council of the Town of Hinton.
- 2.35 "Tractor" which means a motor truck with short chassis for hauling a trailer.
- 2.36 "Traffic Control Device" means any sign, signal, marking, or device placed, marked or erected under the authority of this Bylaw for the purpose of regulating, warning or guiding traffic.
- 2.37 "Traffic Control Signal" means a traffic control device, whether manually, electrically or mechanically operated, by which traffic is directed to stop and proceed.
- 2.38 "Traffic Control Device" is defined in the Act.
- 2.39 "Traffic Control Signal" is defined in the Act.
- "Traffic Control Zone" is that part of a highway in the Town designated by Council

as being controlled by a Traffic control signal.

- 2.40 "Trailer" means a vehicle so designed that it may be attached to or drawn by a motor vehicle or tractor and intended to transport property or persons and includes any trailer that is designed, constructed and equipped as a dwelling place, living abode, or sleeping place, either permanently or temporarily but does not include machinery or equipment used in the construction or maintenance of highways.
- 2.41 "Trailer Court" means any area of land within the Town where "trailers" may be lawfully parked and without restricting the generality of the foregoing, shall include camp grounds, but shall exclude mobile units situated on lots owned by the owner of the mobile unit.
- 2.42 "Truck Route" means a highway within the Town upon which the operation of Heavy Vehicles is permitted, and which has been designated as such in this Bylaw
- 2.43 "Vehicle" Is defined in the Act.
- 2.44 "All Terrain Vehicle" means a wheeled or tracked motor vehicle designed for travel primarily on unprepared surfaces such as open country and marshland, but does not include a snow vehicle, implement of husbandry or construction machinery.
- 2.45 "Snow Vehicle" means a motor vehicle designed or intended to be driven exclusively or chiefly on snow or ice, or both.
- 2.46 "Operator" means a person who drives or is in actual physical control of a vehicle.
- 2.47 "Owner" includes a person renting an off-highway vehicle or having the exclusive use of that vehicle under a lease or otherwise for a period of more than thirty (30) days.

SECTION 3

ADMINISTRATION

- 3.01 Pursuant to sections 13 and 110 of the Act, the CAO is hereby delegated the authority to place, erect, display or alter traffic control devices at such locations within the Town as they may determine, or as Council may by resolution direct, for the purpose of controlling and regulating traffic, including, but not limited to, the following specific purposes to:
- (a) divide the surface of a Highway into traffic lanes marked by solid or broken lines.
 - (b) prohibit "U" turns at any intersection.

- (c) designate any intersection or other place on a Highway as an Intersection or place at which no left-hand turn or right-hand turn shall be made.
- (d) designate as a one-way street any Highway or portion thereof.
- (e) designate "School Zones" and "Playground Zones";
- (f) designate Highways or portions thereof as Truck Routes, parking lots, and vehicle storage areas for Heavy Vehicles and/or recreational vehicles, and may cause signs or other Traffic Control Devices to be erected to identify the beginning and end of a Truck Route.
- (g) set apart as a "through-street" any Highway or part of a Highway and to control entry to any Highway by means of a "stop" sign or "yield" sign.
- (h) designate a marked Crosswalk upon any municipal Highway.
- (i) designate parking stands, passenger, and truck loading zones, "no parking" and "no stopping" zones, and the times when the restrictions of such zones are in effect.
- (j) designate "Disabled parking zones".
- (k) close or restrict the use of any Highway, bridge or overpass or any part of any Highway, bridge or overpass either as to the full width thereof or as to part of the width thereof with respect to any class or classes of vehicles or with respect to any class or classes of pedestrians.
- (l) prohibit, restrict or regulate the parking of vehicles or any particular class of vehicles on any Highway or other public place or any portion thereof during such hours as he or she may determine.
- (m) designate and mark guidelines for parking on any Highway or other public place or any portion thereof.
- (n) indicate the maximum speed limits for any municipal Highway.
- (o) impose limitations or restrictions on loads traveling on municipal Highways.

SECTION 4

4.01

4.02

SPEED LIMITS

Speed limits shall be as prescribed by the Traffic Safety Act, except in section 4.03 hereof.

Unless otherwise directed by posted Traffic Control Devices no person shall drive a vehicle at a speed in excess of forty (40) kilometers per hour

on any roadway within the Town.

4.03 Notwithstanding section 4.02 the various maximum speeds from the Highway so posted shall be as recorded in the following schedules:

- (a) Schedule 4-A - 60 km/hr
- (b) Schedule 4-B – 50 km/hr
- (b) Schedule 4-C - 40 km/hr
- (c) Schedule 4-D - 30 km/hr
- (d) Schedule 4-E - 15 km/hr

SECTION 5

TRUCK ROUTES

5.01 Subject to the provisions of sub-section 5.02, no person shall drive, park or operate a Heavy Vehicle on any of the Highways of the Town, except those Highways designated as "Truck Routes". (Schedule 5-A)

5.02 The following shall not be deemed to be operating a vehicle in contravention of Section 5.01 if the vehicle was being operated on the most direct and practicable route between the premises or location concerned and the nearest truck route:

- (a) Persons delivering or collecting goods or merchandise to or from the premises of bona fide customers.
- (b) Persons going directly to or from business premises of the owner of the heavy vehicle concerned.
- (c) Persons going directly to or from premises for the servicing or repairing of the Heavy Vehicle.
- (d) Persons pulling a disabled motor vehicle from a Highway prohibited to heavy vehicles.
- (e) Persons driving a public passenger vehicle in respect of which the owner holds a subsisting certificate from the Highway Traffic Board of the Province of Alberta and the owner also holds the written consent of the CAO to drive and operate the public passenger vehicle upon the highway upon which it was being operated.
- (f) Persons driving vehicles, owned by or hired for the services for the Town and, being actually used in the service of the Town, or
- (g) Persons who have obtained written authorization from the CAO to operate or drive the specific heavy vehicle on the particular highway in the Town

on which he/she was driving or operating the said heavy vehicle.

- (h) Any person driving a truck on a route written authorized by the CAO shall produce the same when required to do so by a Peace Officer.

SECTION 6

MAXIMUM WEIGHTS AND OVERSIZE VEHICLES

6.01(i)

For the purpose of this Section "maximum weight" means:

- (a) The maximum weight permitted for a vehicle and load pursuant to the certificate or permit issued for such vehicle under the Motor Transport Act or the regulations thereunder.
- (b) If there is no certificate or permit issued for such vehicle under the Traffic Safety Act and Regulations thereunder then the combined weight of the vehicle and the heaviest load that may be carried in accordance with provisions of the Motor Transport Act and Regulations thereunder, shall apply.
- (c) The maximum weight permitted for any vehicle and load as set out in the Regulations.

6.01(ii)

For the purposes of this section "maximum vehicle size" means any vehicles which does not exceed the following maximum limits:

- (a) Width 2.5m.
- (b) Height - 3.8m measured from the ground surface to the top of load.
- (c) Wheel base - 10.7m of any single unit;
- (d) Overall length - 18.5m including the overall length of any tractor with semi-trailer or any other combination of vehicles coupled together.

6.02

Unless he/she has first obtained a permit as provided in sub-section 6.05 of this Section or subject to Section 7, a person shall not drive or operate on any Highway within the Town, a vehicle or combination of attached vehicles with a weight or size, including any load thereon, in excess of maximum weight, or maximum vehicle size.

6.03

Wherever in their opinion, there is a contravention of sub-section 6.02 of this Section, a Peace Officer may order the driver or other person in charge or control of a vehicle or combination of attached vehicles to the nearest adequate weigh scale to determine the weight of such vehicle or combination of attached vehicles and load carried thereon. The weigh scale or slips shall be given to the Peace

Officer and may be retained by him and if the weight of any loaded vehicle or combination of attached loaded vehicles is in excess of maximum weight, the peace officer, in addition to any prosecution for contravention of sub-section 6.02 hereof, may require that any load or portion thereof in excess of maximum weight shall be removed before the vehicle or combination of attached vehicles is again taken upon a highway.

6.04 A person driving or in charge of a vehicle or combination of attached vehicles suspected by a Peace Officer of being on a roadway in contravention of sub-section 6.02 of this Section shall, when requested by the Peace Officer produce for such officer's inspection any certificate or permit for such vehicle or vehicles that may have been issued under the *Act* and Regulations thereunder showing the maximum weight of such vehicles or combination of attached vehicles.

6.05 Notwithstanding the other provisions of this Section, a person may apply to the CAO, or such persons as may be designated by the CAO, for a permit to allow on a roadway a vehicle or combination of attached vehicles with a weight in excess of maximum weight, or maximum vehicle size. The CAO, in their authority may grant or deny written permission for such periods as they may set out therein.

SECTION 7

PULP TRUCKS

7.01 A person shall not drive or operate a Pulp Truck on any of the highways of the Town except those highways designated as Pulp Truck routes in Schedule 7-A. attached hereto and forming part of this Bylaw.

SECTION 8

DANGEROUS MATERIALS

8.01 No person shall park any vehicle used primarily for the conveying of inflammable, explosive, corrosive or other dangerous material upon any highway or upon any property having a building or buildings thereon unless the vehicle is parked upon the property at least 15.24 m from the nearest building likely to contain persons or valuable goods; provided that this prohibition shall not apply to the time during which any such vehicle is necessarily motionless while delivering gasoline or oil to garages, or retail dealers in gas and oil or other consumers.

SECTION 9

PEDESTRIANS

- 9.01 A pedestrian shall not cross any roadway within the Town, other than an alley, except within a marked or unmarked crosswalk., excepting Athabasca Avenue, Park Street and Pembina Avenue between Switzer Drive and Jasper Street.
- 9.02 Where a crosswalk at any intersection is marked with lines, no pedestrian shall cross either of the intersecting highways within the intersection except within the limits of such marked crosswalk.
- 9.03 No person shall stand on any highway, crosswalk or sidewalk in such a manner as to:
- (a) Obstruct vehicular or pedestrian traffic;
 - (b) Annoy or inconvenience any other person lawfully upon such highway, crosswalk or sidewalk; or
 - (c) Obstruct the entrance to any building.
- 9.04 No person shall conduct, organize or participate in a foot, bicycle or E-Bike race upon any roadway, unless permission for the race has been first obtained.
- 9.05 No person shall stand upon or walk along any part of a highway within the Town for the purpose of soliciting a ride from the driver of any private vehicle.
- 9.06 No person shall Loiter on a sidewalk, Highway or public place within the Town of Hinton.

SECTION 10

PARKING

- 10.01 Vehicle parking is permitted with the conditions and/or restrictions indicated in this Bylaw.
- 10.02 Motor vehicles shall be parallel parked as may be required, or except as may be noted otherwise in this Bylaw.
- (a) When parking on a roadway, a driver shall park his vehicle with the sides of it parallel to the curb or edge of the roadway except as may be noted otherwise in this Section.
 - (i) with the right-hand wheels of it not more than 500mm from the right-hand curb or edge of the roadway, or
 - (ii) in the case of a one-way Highway where parking on either side is permitted, with the wheels closest to a curb or edge of the roadway not more than 500mm from the curb or edge and with the vehicle

facing the direction of travel authorized for that Highway;

- (b) Subsection (a) does not apply where angle parking or right-angle parking is permitted or required.
- (c) When a sign indicates that angle parking is permitted or required and parking guidelines are visible on the roadway, a driver shall park his vehicle:
 - (i) with its sides between and parallel to any two of the guidelines, and
 - (ii) with one front wheel not more than 500mm from the curb or edge of the roadway.
- (d) Angle parking shall mean that vehicles are parked at sixty to forty-five degrees from the curb.
- (e) Right angle parking shall mean that vehicles are parked at ninety degrees from the curb.

10.03

A driver shall not stop or park his vehicle:

- (a) In a "No Parking Zone" where posted.
- (b)(i) Upon any public land which the Town uses or permits to be used as a playground, recreation area or public park except on such part thereof as may be designated by a sign or signs, for vehicle parking.
- (b)(ii) Parking in designated areas on public land shall be permitted only while using the public land, and for a maximum of 24 hours.
- (c)(i) in a Disabled parking only zone.
- (c)(ii) notwithstanding Section 10.03 (c) a person may park in a restricted residential zone if such vehicle displays in the windshield the appropriate permit as issued by the Town of Hinton.
Notwithstanding Section 10.03(c)(i) a person may park in Disabled parking zone if such vehicle displays in the windshield a Disabled parking permit as issued by the Alberta Motor Vehicle Branch.
- (c)(iii) In a restricted parking zone during the times of restriction so designated and marked on a Traffic Control Device.
- (d) For longer than a period specified on any Traffic Control Device.
- (e) On a sidewalk or boulevard.

- (f) On a crosswalk or on any part of a crosswalk.
- (g) Within an intersection other than immediately next to the curb in a "T" intersection.
- (h) At an intersection nearer than 5m to the projection of the corner property line immediately ahead or immediately to the rear, except when his vehicle is parked in a space where a parking metre or other traffic control device indicates parking is permitted.
- (i) Within 5m on the approach to a stop sign or yield sign.
- (j) Within 5m of any fire hydrant, or when the hydrant is not located at the curb, within 5m of the point on the curb nearest the hydrant, or as designated by yellow painted curb.
- (k) Within 1.5m of an access to a garage, private road or driveway, or a vehicle crossway over a sidewalk.
- (l) Within 5m of the near side of a marked crosswalk.
- (m) Alongside or opposite any street excavation or obstruction when the stopping or parking would obstruct traffic.
- (n) On any bridge or in any subway or on the approaches to either.
- (o) On the roadway side of a vehicle parked or stopped at the curb or edge of the roadway, or
- (p) At or near the site of any fire, explosion, accident, or other incident, if stopping or parking would obstruct traffic or hinder Peace Officers, firefighters, ambulance attendants or rescue officers or volunteers.
- (q) On Highways designated as rear lanes.
- (r) In front of or across a driveway in a manner which prohibits safe access or egress.
- (s) No person shall park on a Highway
 - (i) a vehicle displayed for sale, or a vehicle displaying advertising directing persons to any commercial premises.
 - (ii) No person shall display any goods for sale, offer any goods for sale, or sell any goods on a Highway.
 - (iii) Notwithstanding subsection (ii), the Town of Hinton may, by bylaw, permit the display or sale of goods on a sidewalk.

Zone" when attending church, or a funeral or any meeting being held at a school after 6:00 p.m.

10.05 No person shall park any trailer, whether designed for occupancy by persons or for the carrying of goods or equipment upon any highway, unless said trailer is attached to a vehicle by which it may be propelled or drawn and when so attached the trailer shall be deemed to be part of a vehicle and subject to the regulations pertaining to vehicles.

10.06 Except as otherwise provided in this Bylaw, no person shall stop or park at any time in:

- (a) any bus stop properly marked by a sign, or
- (b) any passenger loading zone properly marked by a sign, except for the purpose of loading or unloading passengers, and no person shall keep their motor vehicle in a passenger loading zone longer than is necessary to load or unload his passengers.
- (c) any parking stand specified for a particular use by a certain vehicle classification or classifications, which parking stand zones and uses are set forth in Schedule 10-B.
- (d) Any bus or school bus lane marked by a sign indicating the restrictions, which apply hereto.

10.07 Unloading zones are for the purpose of delivering goods to buildings.

10.08 Where parking lines are visible on a roadway, no driver shall park a vehicle except within the limits of the lines designating a parking space.

10.09 No person shall park a vehicle so that the bumper or side of the vehicle is closer than 60cm to the bumper or side of another vehicle.

10.10 No person shall park any vehicle upon any highway within the Town so as to obstruct the free and safe passage of any other vehicle along such highway.

- (i) No person shall park a vehicle on a highway in such a manner as to cause a visual obstruction.
- (ii) No person shall deposit on a highway any object or material in such a manner as to cause a visual obstruction.

10.11 No person shall park any commercial vehicle, bus, truck, engine or trailer of the design capacity of more than 2,000 kg or a length of more than 8 m except upon any highway where such parking is expressly permitted, or, except for the purpose

of loading and unloading such vehicle.

- 10.12
- (a) No person shall park or leave any vehicle on private land or property unless such person has obtained the permission of the owner, tenant, occupant or person in charge or control of said land or property.
 - (b) Any Peace Officer may tag and cause a vehicle improperly parked on private property, to be removed and taken to and stored in a suitable place and all costs for the removal and storage are a lien upon the vehicle which may be enforced in the manner provided by the Possessory Liens Act.
- 10.13
- (a) No person shall leave a vehicle standing on a street in one location for more than 72 consecutive hours. Any such vehicle shall be considered to be abandoned and shall be towed away and impounded, where it will remain until claimed by the owner or his agent.
 - (b) All costs for the removal and storage are a lien upon the vehicle which may be enforced in the manner provided by the Possessory Liens Act.
- 10.14
- (a) When a vehicle is parked in violation of any provision of this Bylaw, any peace officer may tag and cause the vehicle to be removed to a place designated by the CAO as a vehicle pound where it will remain impounded until claimed by the owner thereof or his agent.
 - (b) No impounded vehicle shall be released to its owner or his agent until an impounding charge sufficient to meet the reasonable towing and storage charges on the vehicle has been paid to the owner of the vehicle pound and such charge shall be in addition to any fine or penalty imposed in respect of any such violation, or to any payment made in lieu of prosecution as hereinafter provided in this Bylaw.
 - (c) All costs for the removal and storage are in lien upon the vehicle that may be enforced in the manner provided by the Possessory Liens Act.
- 10.15
- (a) No person who is the owner of a motor vehicle or trailer shall park or operate or suffer or permit any other person to park or operate the motor vehicle or trailer on a highway at any time during which the owner is not the holder of a subsisting certificate of registration or permit issued under the Act for the motor vehicle or trailer.
 - (b) No person shall park or cause to be parked on a highway a vehicle or trailer not displaying a current license plate or transit sticker.

- (1) A driver shall not turn his vehicle so as to proceed in the opposite direction (u-turn) unless he can do so in safety and without interfering with other traffic.
- (2) A driver shall not turn his vehicle so as to proceed in the opposite direction (u-turn)
 - (a) on a curve, or
 - (b) on the approach to or near the crest of a grade
where his vehicle cannot be seen by the driver of another vehicle approaching from their direction within 150 metres.
- (3) In an urban area, a driver shall not turn his vehicle so as to proceed in the opposite direction (u-turn)
 - (a) on a roadway between intersections,
 - (b) at a place where a sign prohibits making a U-turn,
 - (c) at an intersection controlled by a traffic control signal,
 - (d) at an alley intersection, or
 - (e) at any other intersection unless the movement can be made in safety.

SECTION 11

SCHOOL AND PLAYGROUND ZONES

11.01

Pursuant to the provisions of section 107(3) of the Act, the prescribed hours during which all school and playground zones are in effect in the Town are hereby increased.

School and Playground zones within the Town shall be in effect from seven a.m. to nine p.m. (0700 –2100 hrs) every day, and the CAO shall cause Traffic Control Devices indicating said hours of effect to be displayed accordingly.

11.02

A School Zone begins where there is a Traffic Control Device indicating the school zone and ends where there is a Traffic Control Device indicating the end of the School Zone as indicated in Schedule 11-A.

11.04

A Playground Zone begins where there is a traffic control device indicating the Playground Zone and ends where there is traffic control device indicating the end of the Playground Zone, or marks the speed permitted. Playground Zones are identified in Schedule 11-B.

SECTION 12

BICYCLES AND E-BIKES

- 12.01 A bicycle or E-Bike are authorized to use on sidewalks unless otherwise posted.
- 12.02 A bicycle or E-Bike are authorized to use on all trails or pathways unless otherwise posted.
- 12.03 No bicycle or E-Bike shall be ridden by more than one person at a time.
- 12.04 Unless the context otherwise requires a person operating a bicycle or an E-Bike on a Highway within the Town has all the rights and subject to all duties that the driver of a vehicle has under this Bylaw.
- 12.05 No person shall leave or operate a bicycle or E-Bike in any public place so as to obstruct the use or enjoyment of such public place within the Town.
- 12.06 Any bicycle or E-Bike being operated, used or left in contravention of this Bylaw may be seized by a Peace Officer and stored in a designated location for a period not exceeding 14 days, and all costs for the removal and storage are a lien on the bicycle that may be enforced in a manner provided by the Possessory Liens Act.
- 12.07 Pedestrians shall maintain the right-of-way over bicycles and E-Bikes that are on bicycle pathways designated as bicycle path, as designated in Schedule 13-A.
- 12.08 A person who is operating a bicycle or E-Bike on a highway shall ride as near as practicable to the right-hand curb or edge or the roadway.
- 12.09 An E-Bike will meet the Alberta E-Bike regulations,
- Output cannot exceed 500 W,
 - Cannot assist beyond 32 km/h,
 - Required equipment includes head/tail lamps, reflectors, brakes and horn,
 - Fully operable pedals are required,
 - No driver's license, vehicle insurance, or vehicle registration is required,
 - Approved bicycle or motorcycle helmet is required,
 - Operators must be 12 years of age or older,
 - Is capable of being propelled by muscular power,
 - Has one of the following safety features
 - (i) an enabling mechanism to turn the electric motor on and off that is separate from the accelerator controller and fitted in such a manner that it is operable by the driver, or
 - (ii) a mechanism that prevents the motor from being engaged before the bicycle attains a speed of 3 km/h

- Bears a label that is permanently affixed by the manufacturer and appears in a conspicuous location stating, in both official languages, that the vehicle is a power assisted bicycle.

SECTION 13

TEMPORARY CLOSING OF HIGHWAYS, AND RESTRICTED USE OF ROAD RIGHTS-OF-WAY

13.01 (i) For the purpose of maintenance, emergency, or for special circumstances desirable and in the public interest as determined by the CAO, the CAO or their delegate may:

- (a) temporarily close in any area of Town, any highway in whole or in part to traffic, or
- (b) temporarily suspend in any area of the Town, parking privileges and/or regulations granted by the provisions of this Bylaw, and
- (c) may also place barricades and/or post appropriate notices on or near the highway or highways concerned, and
- (d) during emergency or maintenance operations, the crews working for the Town are exempt from the regulations of this Bylaw providing adequate provision has been made for public safety.

13.01 (ii) If vehicles are found parked upon areas for which parking privileges are suspended for the purpose of snow removal or street sweeping, these vehicles may be towed to a storage compound. The owner of the vehicle shall pay to the towing company, all towing and storage costs prior to the vehicle being released to the owner.

13.02

RESTRICTED USE OF ROAD RIGHTS-OF-WAY

1. In this section "Road Rights-of-Way" shall mean land:
 - (a) shown as a road on a plan of survey that has been filed or registered in a Land Titles Office, or
 - (b) used or intended to for use as a public road, lane or walkway; and includes a bridge forming part of a public road and any structure incidental to a public road.
2. Within the corporate limits of the Town of Hinton, no person shall operate any motor vehicle, bicycle, or be a pedestrian on a "Restricted Use Road" other than that specified as per

Schedule 13-A of this Bylaw.

3. For the purpose of this Bylaw, permitted use shall pertain to developed and/or undeveloped Road Rights-of-Way.

SECTION 14

PARADES AND FUNERAL PROCESSIONS

14.01

In this Section "Parade" or "Procession" means any group of pedestrians (except military parades and processions and funeral processions) numbering more than fifty persons marching or walking on the road- way or on the sidewalk, or any group of vehicles (except military parades and processions and funeral processions) numbering ten or more.

14.02

Any person desiring to hold a parade or procession within the Town shall at least 48 hours prior to the time he/she desires to hold the same, make application in writing to the CAO or designate and in such application shall furnish to the CAO or designate information with respect to the following:

- (a) the name and address of the applicant, and if such applicant is an organization, the names and addresses of the executive thereof.
- (b) the nature and object of such parade or procession,
- (c) the day, date, and hours during which same will be held,
- (d) the intended route thereof,
- (e) the approximate number of persons who will take part therein,
- (f) the approximate size, number and nature of flags, banners, placards, or such similar things to be carried therein and particulars of signs, inscriptions and wording to be exhibited thereon; and such written application shall bear the signatures and addresses of the persons who will be in control of such parade or procession and who undertake to be responsible for the good order and conduct thereof.

14.03

The CAO or designate may for any reason that appears to them proper, issue, or refuse to issue a permit. In the event of a refusal, the applicants concerned may apply to the Town Council therefore and the Town Council may by resolution or otherwise direct the issue of such permit, subject to the provisions of this Bylaw.

14.04

Where a permit has been issued pursuant to this section, the CAO shall fix the hour and route of the parade or procession and give such directions to the applicants in regard to such parade or procession as in his opinion will prevent

any unnecessary or unreasonable obstruction to the street or sidewalk and tend to prevent a breach of the peace. The CAO shall make the necessary arrangements for the proper policing of the streets in connection with such parade or procession and for such purpose may erect such temporary barriers or traffic control devices as they deem necessary.

14.05 No person shall hold or take part in any parade unless a permit has been issued therefore in accordance with the provisions of this Bylaw.

14.06 If any funeral procession is in process of formation or proceeding along any highway, any Peace Officer may regulate all traffic in the vicinity and all persons whether on foot or on horse or in vehicles, shall obey the order and direction of the Peace Officer so regulating traffic.

14.07 Before a funeral procession enters upon, crosses or turns into a highway designated and marked as a through traffic street by a stop sign, or traffic control signal the first vehicle in the funeral procession shall come to a complete stop in the manner required by this Bylaw and shall not drive the vehicle into the intersection until it is safe to do so. A vehicle that follows in the funeral procession may then enter into the intersection without stopping provided the headlamps are alight and the highway can be entered safely. The provisions of this sub-section shall not apply at intersections where traffic is controlled by a peace officer.

14.08 No person driving any vehicle or riding or driving a horse shall drive or ride through, nor shall any pedestrian walk through, the ranks of any funeral procession (the vehicles of which have their lights on), nor through the ranks of any other authorized parade or procession, or in any way obstruct impede or interfere with the same.

14.09 No persons shall take part in the organization or conduct of a parade or procession that forms up, attempts to form up or is carried on without a permit having been obtained pursuant to this Section.

SECTION 15

FIRES

15.01 In case of a fire within the Town, any Peace Officer or member of the Fire Rescue Service of the Town may designate in any manner a line or lines near the location of a fire beyond which no member of the public shall pass, and no unauthorized

person, whether on foot, or in any vehicle or any manner of conveyance shall cross such line.

- 15.02 The Chief Officer of the Fire Rescue Services of the Town or any person acting under their instructions shall have the right to move or cause to be moved any vehicle which they may deem necessary to move or have moved for the purpose of carrying out any duty, work or undertaking of the Fire Rescue Services of the Town.

SECTION 16

BUS STOPS AND PARKING STANDS

- 16.01 No person shall stop in any area designated as a bus stop except for the sole purpose of temporarily parking to board or discharge bus passengers and no person shall stop any bus for the purpose of boarding or discharging passengers.
- 16.02 Parking Stands shall be parking areas designated for an exclusive use by specified persons or corporate entities. Schedule 16-A
- 16.03 Persons assigned to parking stands so designated and the corresponding uses so specified, shall not regularly use any adjacent parking area.

SECTION 17

VEHICLES WITH LUGS

- 17.01 No person shall drive, propel, or move on any highway any vehicle having metal spikes, lugs, cleats, chains or bands projecting from the surface of the wheel or tire of such vehicle, or any vehicle having a caterpillar tread, unless and until a special permit from the CAO has been issued pursuant to sub-section 19.02 of this Section.
- 17.02 Any person desiring to obtain a permit required by the preceding sub-section shall make application in writing therefore to the CAO setting out the nature of the vehicle to be moved, the name of the make thereof, the style of wheels and of any projections thereto, origin and destination of proposed route and such further information as the CAO may require. Any person making application shall agree to pay all damages caused to the highway, or any works made or done over, upon or under the same because of the operation and conveyance or movement of the vehicle mentioned in the permit. The CAO may issue such permit specify the route to be taken, the precautions required to protect the highway along the route (including the laying down of planks to protect bridges or culverts), the hours

during which the movement shall take place and such other conditions as he/she deems advisable for the protection of the highways and any works done or made over or under the same.

SECTION 18

OFF LIMITS AREAS TO VEHICLES

- 18.01 No person who is an owner or operator of a motor vehicle shall operate or permit any other person to operate or park a motor vehicle on any municipally owned land outside of a road allowance unless otherwise posted, or with the prior written authority of the CAO, or unless designated for vehicular traffic.
- 18.02 Notwithstanding Section 18.01 no employee or agent of the Town of Hinton will be in contravention of Section 18.01 while engaged in maintenance of the said lands, or enforcement of Bylaws.
- 18.03 (a) No person who is an owner or operator of an Off-Highway Vehicle shall operate or permit any other person to operate the Off-Highway Vehicle on any lands within the Town of Hinton, excepting those areas designated specifically for that purpose or for which the CAO has issued a permit.
- (b) Notwithstanding 19.03(a) the Pine Valley Lodge is permitted to utilize roadways as defined in Schedule 18-A with their electric vehicle carts.

SECTION 19

MISCELLANEOUS SECTIONS

- 19.01 Every person shall be guilty of an offence who;
- (a) coasts on any highway within the Town, on a sled, toboggan, skis, or skateboard;
 - (b) washes a vehicle upon any highway or drains the radiator of any vehicle upon a highway or washes a vehicle near a highway so as to result in slush or ice forming upon a highway or public sidewalk.
 - (c) coasts on sidewalks described in Schedule 49 within the Town on a skateboard. A skateboard being used in contravention of this bylaw may be seized by a Peace Officer and stored in a designated location for a period not exceeding fourteen (14) days.
- 19.02 Any person in control of private property, whose property includes a Highway, may erect traffic control devices upon the said Highway after having obtained the written approval of the CAO and any such traffic control devices and their erection

shall be to the specifications of the CAO and in accordance with the provisions of this Bylaw.

19.03 One-way streets in the Town are as set out in Schedule 19-A attached hereto and forming part of this Bylaw.

19.04 Pursuant to the Environment Protection and Enhancement Act:

- (a) No person shall dispose of litter on public land unless he disposes of it:
 - (i) in a container placed for the purpose of collecting it, or
 - (ii) in accordance with the Forest and Prairie Protection Act hereunder.
- (b)
 - (i) No person shall dispose of litter on a highway, unless he disposes of the litter in a container placed for the purpose of collecting it.
 - (ii) No person shall transport litter in or on a motor vehicle or trailer on a highway, if the litter is likely to fall off or blow off the motor vehicle or trailer, unless the litter while being transported is adequately secured to prevent it from falling off, or adequately covered to prevent it from blowing off, the motor vehicle or trailer.
 - (iii) If litter is disposed of from:
 - (a) a motor vehicle other than a bus or taxi, or
 - (b) a trailer, and it cannot be determined which of 2 or more occupants of the motor vehicle or trailer is responsible, the driver of the motor vehicle shall be deemed to be the person who disposed of the litter from the motor vehicle or trailer.
 - (iv) If litter is disposed of from:
 - (a) a motor vehicle other than a bus or taxi, or
 - (b) a trailer,
and it cannot be determined who is the driver of the motor vehicle, the owner of the motor vehicle shall be deemed to be the person who disposed of the litter from the motor vehicle or trailer, unless he proves to the satisfaction of a Court that at the time of the offence the motor vehicle was not being driven, the trailer was not being towed or the motor vehicle or trailer was not parked or left by him or by any other person with his consent, express or implied.

- (c) In this section "litter", means:
 - (i) any solid or liquid material or product or combination of solid or liquid materials or products, including, but not limited to:
 - (a) any rubbish, refuse, garbage, paper, package, container, bottle, can, manure, human or animal excrement or sewage or the whole or a part of an animal carcass, or
 - (b) the whole or part of any article, raw or processed material, motor vehicle or other machinery, that is disposed of.

19.05 No person on a highway shall cross the single solid line from one lane to another except when overtaking and passing another vehicle.

SECTION 20

PENALTIES AND OFFENCE TICKETS

20.01 Any person who contravenes any provision of this Bylaw is deemed to be guilty of an offence and liable to a fine as per Schedule 20-A of this bylaw.

20.02 Any Peace Officer may enforce the provisions of this Bylaw and may issue an offence ticket to any person found to have committed a breach of the Bylaw. The offence ticket shall state the alleged offence and the Bylaw number and required payment of the appropriate fine as provided in Schedule 20-A of this Bylaw to the Town of Hinton within thirty (30) days of issuance of the ticket.

20.03 An Offence Ticket may be issued by personally serving it upon the offender, by leaving it at the residence of the offender or by sending it to the address on the offender's driver's licence or by leaving it upon the vehicle in appropriate cases.

20.04 The provisions of this section are an initial alternative to a summons under Section 13 of this Bylaw. If an Offence Ticket is issued and payment is made within the time limited, then such payment shall be accepted in lieu of prosecution. If payment is not made within the time limited, then the alleged offender is not entitled as of right to settle the alleged offence without a court appearance. Should the alleged offender fail to make voluntary payment during the time limited then an additional sum of \$25.00 shall be added to the appropriate fine indicated on the offence ticket. After the time limited for payment of the offence ticket, the Peace Officer may allow a further period of grace within which the appropriate fine and the additional \$25.00 may be accepted.

(a) If any court of competent jurisdiction declares any provision of this bylaw invalid, the invalid portion must be severed and the remainder of the bylaw is deemed valid.

20.05

If a cheque is given in payment for an offence ticket and the cheque is not honoured by the financial institution on which it is drawn, the offence ticket shall be treated in the same manner that it would have been if the cheque had not been given in payment for the appropriate fine provided.

SECTION 21

REPEAL

21.01

Bylaw No.1023 and amendments thereto are hereby repealed.

SECTION 22

RESOLUTION OF COUNCIL

22.01

Council may amend all schedules pertaining to this Bylaw by resolution of council.

SECTION 23

DATE OF ENACTMENT

23.01

This Bylaw shall come into effect on the date of the final passing thereof.
